

# Internship Program Admissions, Support, and Initial Placement Data

## Internship Program Admissions

Date Program Tables are updated: 7/16/24

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

CAPS currently offers 3 full-time internship positions. CAPS is a full-fledged, multidisciplinary outpatient mental health facility, CAPS is an appropriate setting for the aim of our internship program. CAPS is a large, accredited comprehensive college counseling center, staffed by around 15 full-time mental health counselors from 4 different disciplines, including a case manager, as well as a full-time psychiatrist. CAPS aims to provide research-based services, and enhance our empirical knowledge and make scholarly contributions to our disciplines. We take pride in the considerable racial and ethnic diversity of our professional staff. CAPS offers individual psychotherapy/ counseling, group therapy, initial consultation screenings, substance abuse and eating disorder evaluations, psycho-diagnostic/personality assessments, and a variety of psychoeducational workshops and outreach activities. The students we provide clinical services to report levels of anxiety, depression, family problems, and exposure to trauma that are higher than national counseling center averages.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours		<b>Yes</b>	Amount: 350
Total Direct Contact Assessment Hours		<b>Yes</b>	Amount: 25

**Describe any other required minimum criteria used to screen applicants:**

The program will base the applicant selection process on the package of materials submitted through APPI; however, applicants with the following qualifications will be considered preferred.

1. Enrollment in an APA –or – CPA accredited counseling or clinical psychology doctoral program
2. Dissertation proposal defended
3. Comprehensive exams completed by start of internship
4. Experience working with diverse populations
